

On fleek, on fleek, repeat, on fleek (Uh, yo)  
On fleek, on fleek, repeat, on fleek

Uh every day first thing when I wake up  
I'm laced up, thinking about getting cake up  
Motivated, yeah I'm ready to get straight up  
Thank fuck, my mind's already made up  
'Cause I'm gonna have to go and get my make-up  
Face beat, boy I'm about to get this face touched  
If it don't hit, I'ma flip, I won't say much  
I'm tryna do it for the girls who like to stay buff  
Trophy girl, you deserve a couple medals  
Never for less you settle, shining bright like a bezzle  
Packing a bit of bass, don't really fuck with the treble  
Rather than wake and bake, make banana powder settle  
Yes girl, work it, you're on a different ting  
First track, It's a wrap, no food in the cling  
I know your looks ain't everything  
There's always more you can bring  
But if you know you're on fleek, girl give us a spin

Face beat, hair neat, fresh tee, on fleek  
On fleek, on fleek, repeat, on fleek  
Face beat, hair neat, fresh tee, on fleek  
On fleek, on fleek, on fleek, on fleek

Ah, Jesus, why you gotta tease us?  
That's what they screaming  
When they know they can't please us  
Niggas see me and my squad and wanna treat us  
Just a bunch of pretty bitches with a mean mug  
But we smiling when we see some other pretty chicks  
Slim or thick, killing shit with their hand on their hips  
Or pushing whips that will cause a fake nigga to trip  
Wink wink, blow a kiss with some Mac on your lip  
While you was busy bitching, getting all up in the mix  
I was sitting pretty, putting on my studio fix  
Fixing my ish, getting ready to post up a pic  
Brushing the tip, so you can see the flick of the wing  
Mm, envy, I know they wanna be me  
But being you is way better and it's easy  
You ain't gotta be like the girls on the TV  
Do you, stay true, whatever need be

Face beat, hair neat, fresh tee, on fleek  
On fleek, on fleek, repeat, on fleek  
Face beat, hair neat, fresh tee, on fleek  
On fleek, on fleek, on fleek, on fleek

Face beat, hair neat, fresh tee, on fleek  
On fleek, on fleek, repeat, on fleek  
Face beat, hair neat, fresh tee, on fleek  
On fleek, on fleek, on fleek, on fleek
