Ms Banks

Juggu  
Juggu boys  
Yuh

When she stepped in lookin' like a snack  
Mandem ready to attack  
You know what I want so give me dat  
And you know givers never lack (Uh-huh)  
When I stepped in lookin' like a snack  
The gyaldem ready to attack  
You know what I want so give me dat  
Yea we know givers never lack

Stepped in lookin' like a snack  
Big boy can you handle that?  
Take it down, down, down  
Ride you like a Cadillac  
Said he heard I'm the best  
Yeah, baby that's a fact  
After two, tell me whatchu wanna do?  
Me and you, no one else to come thru'  
Say your grace, eat it with some gratitude  
Yeah, I'm full of attitude

Said I'm looking like a snack  
What's your fave position, wanna hit it from the back?  
Pretty long legs, and you know that arse fat  
Package too big, had to put some in the back  
It's in the back  
And we never lack  
Niggas wanna stick to the kid like tack  
Flow like water, and you know I spit crack  
And you like the way I back it up like that  
Like that, nuttin' that you can't hack

When she stepped in lookin' like a snack  
Mandem ready to attack  
You know what I want so give me dat  
And you know givers never lack (Uh-huh)  
When I stepped in lookin' like a snack

Oh you think I'm pretty Papi?  
I got this Marbek from my nigga Ladi  
In the Addison Lee, but my name ain't Maddie  
Shut down anywhere, even Abu Dhabi (Ooh)  
I got the type of whine that'll probably break spines  
You know I handle mine, heard it through the grapevine  
The way I bruck it, niggas wanna be my Valentine  
Baby take time

I know I'm looking like a snack  
What's your fave position, wanna hit it from the back?

Just  
Gimme the long ting, no stunting  
Pull up close and show me something (Whoa)  
Round and thick like a dumpling  
Push up on it, no fronting (Aye)  
Give me the long ting, no stunting  
Pull up close and show me something  
Round and thick like a dumpling  
Push up on it, no fronting
