

Amazing

Ms. Dynamite

Its so amazing
That I could fly
Its so amazing
that I could fly

So you said you wanted to stay
But sometimes you are still in love
Boy I found what you said to me it wasn't real
I was afraid of letting go
(Don't you know, don't you know)
But now I have let go
And if you love me baby I
Boy I wanne give my heart to you
So Im gonne try

It feels so good that i could fly (away with you forever)
Amazing love with you and I
(And thats something I treasure)

Uh you complete me
I feeline it more every day
Oh baby how you got feel me
I wanne run away you yeah

Your love is so special
Boy you know it turns me around
I be there for you if you are there for me too
I get so eee for you

It feels so good that i could fly (away with you forever)
Amazing love eith you and I
(Its something that I treasure)
