

## It Takes More

Ms. Dynamite

The shit that you promote  
Fighting, fuckin'  
Like you don't want to grow  
Your talking so much sex  
But you not tell the youth 'bout AIDS  
You not tell them 'bout consequence, no  
Your talking like you a G  
But you are killer killing your own  
Your just a racist man's pussy  
Tell me who wants to know  
What when who where  
Or how you do your hoe's

Certainly not me  
Certainly not me  
'Cause baby personally  
I like to be challenged mentally  
I've heard it all before  
Gangsta's pimps and whores  
Quality is poor  
A girl like me needs more

It takes more (takes more)  
To amuse a girl like me  
So much more (much more)  
To confuse a girl like me  
They've got you (got you)  
'Cause while you braggin' 'bout your badness your just  
Avoiding, adding  
To the real shit thats happenin' to us

Now who gives a damn  
About the ice on your hands?  
If its not too complex  
Tell me how many African's died  
For the baguettes on your Rolex?  
So what you pushing a nice car  
Don't you know there's no such thing as superstar  
We leave this world alone  
So who gives a fuck about the things you own?

Certainly not me  
Certainly not me  
'Cause baby personally  
I like to be challenged mentally  
Your shit's insignificant  
And it don't help to pay my rent  
Its pure negativity  
That you impose on me

It takes more (takes more)  
To amuse a girl like me  
So much more (much more)  
To confuse a girl like me  
They've got you (got you)  
'Cause while you braggin' 'bout your badness your just  
Avoiding, adding

To the real shit thats happenin' to us

Now I can sit  
And chat shit about dicks and sex  
But my business is my business I got self respect  
I can talk 'bout how my press could pimp man's dough  
Get the keys to his ride and his home  
But I looked it up and that would make me a ho'  
Little sisters now I really gotta let you know  
Real woman ain't sexin' for no mans dough  
Real woman work hard to make the dough  
And we can all chat 'bout gats and blacks  
On blacks and force the hypes and all the stereotypes  
We're used to watching, but that ain't what I'm here for  
Show them to think higher and aspire for more

It takes more (takes more)  
To amuse a girl like me  
So much more (much more)  
To confuse a girl like me  
They've got you (got you)  
'Cause while you braggin' 'bout your badness your just  
Avoiding, adding  
To the real shit thats happenin' to us
