

Break The Cycle

MSG (Michael Schenker Group)

Now that everything is over
And our love has breathed it's last
I can see the lines so clearly
Through the panes of broken glass
In the end it's all the same
It's time to right another wrong

Frozen
Break the cycle
Sorrow
A way to turn back time
Frozen
I'll get it right someday
Sorrow
Break the cycle!

Looking back I see the warnings
In the echoes of the past
Wanted to believe your heart was
More than just a stone to pass

In the end it's all the same
It's time to right another wrong

Frozen
Break the cycle
Sorrow
A way to turn back time
Frozen
I'll get it right someday
Sorrow
Break the cycle!

When it's done the frozen sorrow
Slowly wanes and melts away
But the scars and broken dreams are
Never worth the price I pay

In the end it's all the same
It's time to right another wrong

Frozen
Break the cycle
Sorrow
A way to turn back time
Frozen
I'll get it right someday
Sorrow
Break the cycle!

Frozen
Break the cycle
Sorrow
A way to turn back time
Frozen
I'll get it right someday
Sorrow

Break the cycle!
Yeah
