

Drilled To Kill

MSG (Michael Schenker Group)

(We're drilled to kill)
(We're drilled to kill)

They say you are wanted
You're a wanted man
Come and sign the paper
Let me count you in
Well it looks like a holiday
But we protect the earth
Sailing distant oceans
It's all worth

Sealed by the navy
Cross the line of fire

Mute all emotions
Looking for the thrill
So close to overdosing
We've been drilled to kill

(We're drilled to kill)
(We're drilled to kill)

Religion is the order
Stick right to the rules
Sail on sailor anywhere
On this ship of fools
We are on a mission
Questions won't be posed
Load your gun, we're gettin' there
Battlefield is close

Sealed by the navy
Cross the line of fire

Mute all emotions
Looking for the thrill
So close to overdosing
We've been drilled to kill
Who cares for the enemy
Already on the hill
Say a prayer, a last will
Coz we've been drilled to kill

Mute all emotions
Looking for the thrill
So close to overdosing
We've been drilled to kill

They say you are wanted
You're a wanted man
Come and sign the paper
Let me count you in
Well it looks like a holiday
But we protect the earth
Sailing distant oceans
It's all worth

Mute all emotions
Looking for the thrill
So close to overdosing
We've been drilled to kill
Who cares for the enemy
Already on the hill
Say a prayer, a last will
Coz we've been drilled to kill
