

Evermore

MSG (Michael Schenker Group)

Been a ten fold fury - grindin - bustin
Tryin-a make my life
Yeah the law it keep a comin
The piper always takes his cut twice
And I know - there's a hard knock a-shakin down my door
Gotta break & cut loose
In the end this game is mine
Ain't gonna let that slip away!

Evermore
Gonna live the life I 'been fightin for
One more day and
Evermore
Gonna reach the sun
Been a hard road comin my way

Just a longhair, hustler, finger, drifter
Boy your brand ain't right!
And if you think I'm only frontin
I tell you now you better think twice
Yeah I know - the way I'm makin is paved
With broken dreams
But I know I can't loose

In the end this game is mine
Ain't gonna let that slip away!

Evermore
Gonna live the life I 'been fightin for
One more day and
Evermore
Gonna reach the sun
Been a hard road comin my way

It's all about the shuffle
Snuff your spirit out before it's time
Yeah the way they got me runnin
I 'been leavin all my aces behind
Yeah I know - I'm makin time on a line that's runnin thin
But I know I'll break through

In the end this game is mine
Ain't gonna let that slip away!

Evermore
Gonna live the life I 'been fightin for
One more day and
Evermore
Gonna reach the sun
Been a hard road comin my way

Gonna live the life I 'been fightin for
