

# I Am The One

MSG (Michael Schenker Group)

Something special I've been told  
I've been raised a devils lord

Early felt my power rise  
Hear my laughter I disguise

Just keep believing in all that you see  
Never thought all would happen to me

I am the one  
The future is here  
Gaze on my marching parade  
Yes I am the one  
Got nothing to fear  
You'll dance on the edge of my blade!

Brought you freedom brought you pain  
A blackened sun that needs the flame

Just keep believing in all that you see  
Never thought all would happen to me

I am the one  
The future is here  
Gaze on my marching parade  
Yes I am the one  
Got nothing to fear  
You'll dance on the edge of my blade!

So wake up before it's too late!
