

I Will Be There

MSG (Michael Schenker Group)

Over days of darkness
You shine the light on my way
And in the fields of sadness
You plant a seed, that blooms any day

You wake the dead
I'm out of my head
You turn the blue sky red

And I would climb any mountain
Swim any sea
I will be there
To shake your tree
I would hitchhike to heaven
Fly to the sun
I will be there
To bang your drum

Through the tears and the laughter
The river runs to the sea
Through the thirst and hunger
You will give me all that I need
You paint the sky
With blood and desire
You set my heart on fire

And I would climb any mountain
Swim any sea
I will be there
To set you free
I would hitchhike to heaven
Fly to the sun
I will be there
'Cause you're the one

Nowhere to run now
Nowhere to hide from me

In this world we live in
Keep your feet on the ground
Don't give up, don't give in
When there's no more hope to be found

You paint the sky
With blood and desire
You set my heart on fire

I will be there
Yeah, I will be there
I will be there
I will be there
...
