

Messin' Around

MSG (Michael Schenker Group)

Some might call me nasty, but some might say a fool...

Some might call me nasty
Some might say a fool
But life's a fight just to stay alive
So I forgot all the golden rules

The clock goes tick tock tick
Tick tock tick
So come on guys, gotta get some action now

So I'm cruising down the mainstreet
Checking out the lovely dives
Give me a wall of sound
In this rock and roll town
It's good to be alive

It goes tick tock tick
Tick tock tick
So come on guys, gotta get some action now

I've been messin' around
Messin' around
Messin' around
I've been messin' around

I like tasting all my honeys
Making life so sweet
Gotta keep moving around, but stand my ground
If you wanna get a piece of me

The clock goes tick tock tick
Tick tock tick
So come on guys, gotta get some action now

Here's the one for silver
Here's the one for gold
One, two, three, are you ready to rock
It's my story to be told

Tick tock tick, keeps running
Tick tock tick, it's racing
So give me some action now

I've been messin' around
Messin' around
Messin' around
I've been messin' around
Messin' around
Messin' around
Messin' around
Messin' around

Some might call me nasty
Some might say a fool
But life's a fight just to stay alive
So I forgot all the golden rules

Tick tock tick, the clock goes
Tick tock tick, running
Give me some action now

I've been messin' around
Messin' around
Messin' around
I've been messin' around
I've been messin' around
Messin' around
Messin' around

Messin' around
Messin' around
Messin' around
Messin' around

I've been messin' around
