

## Rock Bottom

MSG (Michael Schenker Group)

Seventeen a nature's queen, you'll know what I mean  
Twenty one, a long one you can see the numbers run  
Now you look so peaceful, lyin' there asleep  
With the wings of God above you, before the spirits meet

Rock bottom, rock bottom, rock bottom  
Rock bottom, rock bottom, rock bottom

Shadow earth is closin' in above the lamps in your street  
Lucifer goes walkin' down for you to meet  
Minutes pass so slowly by the hands on your clock  
Heavens door don't open when you, when you knock

Rock bottom, rock bottom, rock bottom  
Rock bottom, rock bottom, rock bottom

With all darkness closin' in, will the light reveal your soul?  
Just one sweet kiss on your clay cold lips  
Long, long sleep you'll never know  
Where do we go, where do we go, where do we go from here?  
Where do we go?

Seventeen a nature's queen, you'll know what I mean  
Twenty one, a long one you can see the numbers run  
Now you look so peaceful, lyin' there asleep  
But the wings of God above you, before the spirits meet

Rock bottom, rock bottom, rock bottom  
Rock bottom, rock bottom, rock bottom
