

# Surrender

MSG (Michael Schenker Group)

Looking at the window at the corner where you are  
Waiting for emotions to leave with the car  
Something has gotten so strange  
Something has taken possession of the mean  
Who knows what will come?

Acting just like soldiers as if marching into war  
I didn't want the loving really taking much before  
Finally hoist the white flag, praying for peace  
Could you ever come back?  
But who knows what will come?

Down on my knees  
Down on my luck, I've been down  
Surrender  
Down, walk it out  
I can't see the light of the day  
I surrender

Love had turned into wars since the eve of mankind  
It started with a kiss but soon you leave it all behind  
Why does it have to feel strange?  
Why is the wheel of time making us change?  
But who knows what will come?

Down on my knees  
Down on my love, get me down  
Surrender  
Down, walk it out  
Can't see the light of the day  
I surrender

Down on my knees  
Down on my luck, I've been down (I've been down)  
Surrender  
Down, walk it up  
Can't see the light of the day  
I surrender
