

My My My

Mt. Desolation

I won't lie
Sometimes it's hard to talk
When you're an old fashioned guy

And all my life
I fixed my blues with
Just a glass of whisky and ice

My, my, my, is all I'd say
Your heart died but you remain

In my eyes
You've been the light that guides me
Through the darkest of nights

But I've kept quiet
Thinking a man of fear
Is not a man at all

My, my, my, is all I'd say
Your heart died but you remain
