Bathroom Light

Mt. Joy

Find me a lane to drive through
In a Halloween costume
I'm an astronaut without you
We're twisting our way to the back of the bar
Yeah, locking the door, falling into the stall

Stripping you down to your jewelry
You're breaking the rules just for me
What a life under big stars and a good woman in charge
Got me falling in, got me falling in hard

So, come on, baby, let's do this right
I think I like falling in love in the bar bathroom light
I don't question it, I don't mess with it, I just go, go grab i
t
Tell your friends, tell your ma that you love who they are

'Cause someday we must return the movies in our brains
And these moments we can't fake
Yes, the angels never leak the expiration date, so

So, come on, baby, let's do this right
I think I like falling in love in the bar bathroom light
I won't question it, I won't mess with it, if it's there go gra
b it
Tell your friends, tell your ma that you love who they are
