

Groove In Gotham

Mt. Joy

I want to

All that we do is groove in Gotham
You bite your lip and shake your bottom
You look so good in that heartland
That I just want to be your problem, mmm

Oh, you get riled up
Yes, you get riled up
Yes, you get riled up
Yes, you get riled up
It's like, ooh, ooh, ooh, you really do, mmm

Now that we caught that groove in Gotham
You let my hands touch your bottom, mmm
You look so good in my arms
That I just want to be your problem, mmm

Oh, you get riled up
Yes, you get riled up
Yes, you get riled up
Yes, you get riled up
It's like, ooh, ooh, ooh, you really do, mmm

So sweet, so sweet, it's like a dream (Ooh)

Ooh, I got it bad, I got it bad
I got it bad, I really do (Ooh)
Ooh
So sweet, so sweet, it's like a dream
