

Let Loose

Mt. Joy

Wonder if I'm ever gonna come back for you
Stuck in the groove like I don't know what to do
Wonder if I'll ever lose
When you're the only one that knows what I'm going through

Like help won't save us with our trouble
I just need some love forever
After all, our time has come

Yes, I want to get lost, I want to get loud with you
And when I get low I want to get high with you
Watch that snow fall on the remains of our youth
Just pull me in and don't let loose

Wonder if I'm ever gonna go find my truth
Wonder if we were born to see this through
How could we let the seasons choose
When you're the only one I ever belonged to

Like help won't save us with our trouble
I just need some love forever
After all

I want to get lost, I want to get loud with you
And when I get low I want to get high with you
Watch that snow fall on the remains of our youth
Just pull me in and don't let loose
