

## More More More

Mt. Joy

Got to give you something you can keep  
Something before my good soul leaves  
I've been stumbling down Pine in this city of mine  
Got the falling feeling of falling behind  
And I got hands like an animal  
I'm crushing everything I own

And I'll tell you one thing that's gonna kick your ass  
If you look, don't look back

'Cause I got to give you something you can keep  
Before my blue ocean tears me underneath  
Yes and I know you'll say that I'm losing my way  
And I know my mistakes, I can see all the pain  
As they flash into me when I'm falling asleep  
And I'm wondering where the hell it would lead

And I'll tell you one thing that's gonna kick your ass  
If you look, don't look back

Always more more more  
Always more more more  
Give you more more more  
Give me more more more

I got all I want  
I got all I want  
I got all I want  
Gotta keep on stumbling home

I got all I want  
I got all I want  
I got all I want  
Gotta keep on stumbling home
