

Pink Lady

Mt. Joy

She's taking her time, moving slow
She's making her way down towards Mexico
Reading the signs, and letters flow
And everything spells, "Let it go"

Ah, ah
Ah, ah, ah, ah
Ah, ah
Ah, ah, ah, ah

Pink Lady on a red motorcycle, uh
Pink Lady, Pink Lady now
Pink Lady on that red motorcycle
She's driving me crazy, uh

She's making a choice to let it flow
She's carefully planting the seeds she sows
She's making her own gold
Pink Lady just sold everything she owns

Ah, ah
Ah, ah, ah, ah
Ah, ah
Ah, ah, ah

Pink Lady on a red motorcycle, uh
Pink Lady now, Pink Lady now
Pink Lady on that red motorcycle, yes
She's driving me crazy

Pink Lady on that red motorcycle
Pink Lady now, Pink Lady now
Pink Lady on that red motorcycle
She's driving me crazy
