

# Scared I'm Gonna Fuck You Up

Mt. Joy

It's all because of you  
It's all because of you  
It's all because of you  
It's all I'd rather do  
With a life so free, your golden soul make it all bad with you

One, two, three, four

I'm scared I'm gonna fuck you up  
So scared I'm gonna fuck you up  
I'd like to free your golden soul, but I'm scared I'm gonna fuck you up

So scared I'm gonna fuck you up  
I'd like to free your golden soul, but I'm scared I'm gonna fuck you up

I'm scared I'm gonna fuck you up  
I'd like to free your golden soul, but I'm scared I'm gonna fuck you up

Ah, 'cause it's God's hands vs. your plans, rolling through the  
city in the last great human band
