

Breathless

Mtume

Every night, I hold on tight
Visions come over me
So sweet, we're so complete
Movin' in fantasy

I'm breathless
I'm breathless, ah...

So real, this love we feel
Got me turned around
So high, deep in your sky
I'm never comin' down

Ooh baby, I feel lovin' you so
How much you'll never know

Don't tease, I'm askin' you please
Show me what's on your mind
I can't wait to celebrate
Pretty please, down on my knees

I'm breathless
I'm breathless, ah...

Ooh baby, I feel lovin' you so
How much you'll never know, ah...

Breathless, I love the way you leave me
Breathless (breathless)
So high, deep in your sky
Breathless, take my breath away
Oh, I love you through and through, boy
Breathless, take my breath away
Pretty please, down on my knees
Breathless, breathless, oh...
