

C.O.D. (I'll Deliver)

Mtume

I'll deliver C.O.D.
I'll deliver C.O.D.

Hey boy, I know it's what you wanted
Closer to me
Sweet thing, I know just how to flaunt it
Can't you see

I'll deliver C.O.D.
I'll deliver C.O.D.

Let me
Make it right
Turn you
On all night
Just call my name
In a hurry
Ooh baby, it's not the same
Why don't you
Tell me, do you feel like I do
So free
Softly, I'll be deep inside you
Don't you see

I'll deliver C.O.D.
I'll deliver C.O.D.

Just call me name
In a hurry
It's not the same
Without you
Da da da...

I'll deliver C.O.D...
