

P.O.P. Generation

Mtume

Picture my mind, where I find
You and me
Try to resist, but I insist
Let it be

In a P.O.P. (P.O.P.) generation
Thinkin' of you, oh...
In a P.O.P. (P.O.P.) generation
Oh, oh, oh...

Shower my mind, let's unwind
In wet delight
Kissing you where soft lips care
All night

In a P.O.P. (P.O.P.) generation
Thinkin' of you, oh...
In a P.O.P. (P.O.P.) generation
Oh, oh, oh...

Da, da, da, da, da (P.O.P.)

Don't move too fast, let this last
You go to my head
Breathing inside, hands untied
Does it feel just like I said?

P.O.P., pop with me
P.O.P., pop, be free
P.O.P., pop with me
P.O.P., pop, be free
Da, da, da, da, da

(P.O.P.) generation
Thinkin' of you, oh...
In a P.O.P., pop-pop (P.O.P.) generation
Oh, oh, oh...
In a P.O.P. (P.O.P.) generation (right there)
Let's unwind
In a P.O.P. (P.O.P.) generation
Ooh, yeah-yeah-yeah-yeah-yeah
In a P.O.P. (P.O.P.) generation
In a P.O.P. (P.O.P.) generation
In a P.O.P. (P.O.P.) generation
In a P.O.P. (P.O.P.) generation...
