

Prime Time

Mtume

I told ya that I loved ya
And you said you loved me
So baby, let me hold ya
It feels so good to me

Baby, we've got prime time
Prime time on my mind
Prime time
Prime time on my mind

Boy, you've got me waitin'
I'm here just for you
Just anticipatin'
What we're gonna do

Hey boy, can't you see
That I want you here with me
Hey girl, don't you know
I'll never let you go

Got me running circles
Spinnin' round and round
My head's up in the clouds, boy
Never coming down

Baby, we've got prime time
Prime time on my mind
Hey, prime time
Prime time on my mind

Hey boy, can't you see
That I want you here with me
Hey girl, don't you know
I'll never let you go

Prime time, prime time on my mind
(Baby, yeah yeah yeah yeah yeah)
Time
Prime time, prime time, prime time
(On my mind, yeah yeah yeah)
Prime time on my mind
(Ooh baby) Prime time on my mind, prime time
(Yeah, yeah) Baby, we've got prime time
On my mind (on my mind, all the time)
Prime time on my mind
(Ooh baby, yeah) Prime time, prime time on my mind
Baby, we've got prime time (time, time, time...)
