

She's a Rainbow Dancer

Mtume

She got you crazy with anticipation
Hey... (ooh, take me up)
Her motion is a hot sensation
(Caught my eye)
She's my forbidden fruit, temptation
(Oh-oh-oh, get down tonight)
Got such a sexy vibe, she keeps my love alive
We'll kiss this world goodbye and fly away

Oh... she's a rainbow dancer on the moon
Rainbow dancer (the girl's so fine)
She's a rainbow dancer in the groove
Rainbow dancer (she's so fine)

She's takin' my desire to the limit
Yeah... (ooh, don't stop now [?])
My love is getting stronger by the minute
(Turns me out)
She's magic when she's moving, she's in it
Oh, oh... (oh-oh-oh, hypnotized)
Got such a sexy vibe, she keeps my love alive
We'll kiss this world goodbye and fly away

The girl is a rainbow dancer
She's steppin' out tonight
The girl is a rainbow dancer
She makes me feel so right
The girl is a rainbow dancer
She's steppin'...

Brand new, blue tweak [?], she's a real dance machine
Ooh, such a clout, the girl keeps gettin' down
Brand new, blue tweak, she's a real dance machine
Ooh, such a clout...

Drives you crazy with anticipation
Ow! (ooh, take me high)
Her motion is a hot sensation
(Caught my eye)
She's my forbidden fruit, oh, what a temptation!
(Oh-oh-oh, get down tonight)
Got such a sexy vibe, she keeps my love alive
We'll kiss this world goodbye and fly away

Yeah... she's a rainbow dancer on the moon
Rainbow dancer (the girl's so fine)
She's a rainbow dancer in the groove
Rainbow dancer (she's so fine)
She's got me, oh, mesmerized
(Oh-oh-oh, hypnotized)

The girl is a rainbow dancer
She's steppin' out tonight
The girl is a rainbow dancer
She makes me feel so right
The girl is a rainbow dancer
She's steppin'...
