

Stick It

MU330

Why you gotta make it so criminal I gotta stick it gotta heed t
o stick it I need to stick it I'm so physical in the morning st
ick it noon and night I stick it its in my head again I'm so ph
ysical why you gotta make it so criminal it gets in the way of
things what things name one or two make it true stick it it's a
ll my fault its always my fault was it you I stuck it to its my
fault again you gotta stick it gotta need to stick it you need
to stick it youre so criminal all day you stick it noon and ni
ght you stick it it's in your head again you're so criminal why
you gotta make it so physical I'll nod my head I'lll bite my l
ip would it hurt to let it slip its all my fault its always my
fault now its you stickin' to me
