

1-2 Love

Mud

Show me how to win your love
That I'm always dreaming of.
Oh baby, be my 1-2-love.

This time it's right I feel the need
True love is meant to be
Oh baby, be my 1-2-love.

You're the one thing that I live for
Anything for you I'd give more
You're the only one that I adore

Tell me please I need to know
Stars above don't let it show
Oh baby, be my 1-2-love.

Break

You're the one thing that I live for
Anything for you I'd give more
You're the only one that I adore

You and me will always be
Together in eternity.
Oh baby, be my 1-2-love
Oh baby, be my 1-2-love
Oh baby, be my 1-2-love

Oh baby, be my 1-2-love
Oh baby, be my 1-2-love
Repeat to fade
