

Right Between the Eyes

Mud

She's a case of dynamite
Somethings'll never change now
She got me out all night
Spending all my money and acting funny oh yeah.
Sooner or later I feel it getting though.

(And it hits you)
Ooh ooh ooh, right between the eyes.
Ooh ooh ooh, took me by surprise.
Ooh ooh ooh, right between the eyes.

Got what it takes to hold me
And everything she do.
Believe all the things she told me
Were do you lead me to
Spending all my money and acting funny oh yeah.
You got me hooked honey, that's all right by you.

(And it hits you)
Ooh ooh ooh, right between the eyes.
Ooh ooh ooh, took me by surprise.
Ooh ooh ooh, right between the eyes.

Should have listened when my momma told me
Love got a hold on you.
Never knew how much you rolled me, what more can I do
'Cos I spent all my money and she's still acting funny, oh yeah
.
You made me a fool now you know that ain't all.

(And it hits you)
Ooh ooh ooh, right between the eyes.
Ooh ooh ooh, took me by surprise.
Ooh ooh ooh, right between the eyes.
...
