

Scare Easy

Mudcrutch

My love's an ocean
You better not cross it
Yeah I've been the distance
And I need some rest
Yeah I had somebody once
And damn if I lost her
I've been running
Like a man possessed

I don't scare easy
Don't fall apart
When I'm under the gun
You can break my heart
And I ain't gonna run
I don't scare easy
For no one

Yeah, I am a loser
At the top of my game
I should have known
To keep an eye on you
Now I got a sky
That ain't never the same
Yeah, I got a dream
That don't ever come true

I don't scare easy
Don't fall apart
When I'm under the gun
You can break my heart
But I ain't gonna run
I don't scare easy
For no one

Sun going down
On a canyon wall
I got a soul
That ain't never been blessed
Yeah and I'm a shadow
At the back of the hall
Yeah, I got a sin
I ain't never confessed

And I don't scare easy
Don't fall apart
When I'm under the gun
You can break my heart
And I ain't gonna run
I don't scare easy
For no one

And I don't scare easy
Don't fall apart
When I'm under the gun
You can break my heart
But I ain't gonna run
I don't scare easy

For no one
