

Five Long Years

Muddy Waters

Have you ever been mistreated, and you know what I'm talkin' about

Have you ever been mistreated, and you know what I'm talkin' about

Now you know I work five long years for one woman,
She had the nerve to put me out

I finally learned a lesson, you know a long long time ago
I finally learned a lesson, you know a long long time ago
The next woman that I marry, she got to work and bring me some dough

Yes I been mistreated, you know what I'm talkin' about

Yes I been mistreated, you know what I'm talkin' about

Now you know I work five long years for one woman,

She had the nerve to put me out

She had the nerve

She had the nerve

She had the nerve to put me out
