

## Louisiana Blues

Muddy Waters

I'm goin' down in Louisiana  
Be, be, behind the sun  
I'm goin' down in Louisiana  
Honey, behind the sun  
Well, you know I just found out

My troubles just begun  
I'm goin' down in New Orleans, hmm  
Get me a mojo hand  
I'm goin' down in New Orleans  
Get me a mojo hand

oh take me with you, man, when you goin'

I'm 'on show all you good lookin' women  
Yes, how to treat your love

let's go back to New Orleans
