

## Too Young to Know

Muddy Waters

Hey, I ain't lyin', I got it bad, boys  
My mind is runnin' down  
I'm gonna pack my suitcase  
And cut on out of this town  
Two little girls said, "Let him leave."  
Four girls said, "Y'all is too young to know  
Well you know I'm so deep in love with this man  
I just can't stand to see him go."

Well you know my suitcase is packed  
And my trunk's already gone  
And you know 'bout that  
I ain't gonna be here long  
Two little girls said, "Let him leave."  
Four girls said, "Y'all is too young to know  
Well you know I'm so deep in love with this man  
I just can't stand to see him go."  
Well, I ain't goin' nowhere

Yeah, you know that ain't nothin' for you people  
To be laughin' about  
I once had a good good settin'  
But now I got busted out  
Two little girls said, "Let him leave."  
Four girls said "Y'all is too young to know  
Well you know I'm so deep in love with this man  
I just can't stand to see him go."  
I ain't goin' nowhere.

Yeah, you know my suitcase is packed  
My trunk's already gone  
You know 'bout that  
I ain't gonna be here long  
Two little girls said "Let him leave."  
Four girls said "Y'all is too young to know."  
"Well you know I'm so deep in love with this man  
I just can't stand to see him go."
