

Dissolve

Mudhoney

Watch me

Now

They line them up

They make them stand tall

They line them up

Just to watch 'em fall

Oh I don't think I can take no more

And I don't think I want no more

Gonna walk right through that open door

And lock it tight behind me

No, I don't like it here

No, I don't like at all

No, I don't like it here

Watch me while I dissolve

I'm gone

But I know where to find you

If I want to

I'm gone
