

## Let It Slide

Mudhoney

Let it slide  
Let it slide  
Let it slide  
Let it slide  
They can make it sound so nice  
Everybody's got a price  
Ho, ho, ho, ho

Give it away  
Give it away  
Give it away  
Give it away  
Nobody's here to stay  
They own you to the grave  
Ho, ho, ho, ho

Try to hide  
Try to hide  
Try to hide  
Try to hide  
Everybody's got a price  
They can make it sound so nice  
Ho, ho, ho, ho

Hell to pay  
Hell to pay  
Hell to pay  
Hell to pay  
They own you to the grave  
Nobody's here to stay  
Ho, ho, ho, ho
