

# Oh Yeah

**Mudhoney**

I wanna ride, I wanna ride  
I wanna creep inside this bowl and leave their mess behind  
I want a car, I wanna glide  
I wanna get in the ocean and clear my mind

I wanna roll, I wanna go for miles  
I wanna ride my bike until everything's alright  
Oh, oh oh yeah  
Oh, oh oh yeah  
Oh, oh oh yeah
