

One Bad Actor

Mudhoney

I'm coming for you
I'm coming for you
I'm coming for you
'Cause no one else will

Who's coming for me?
Who's coming for me?
I'll come for me
'Cause I don't need no stand-in

One bad actor don't spoil
The whole bunch, girl

How's my hair and makeup?
I'm ready for my closeup
I'm going to make it blow up
Ugh...

Shakespeare is a square
Shakespeare is a square
Shakespeare is dead
Just like his stupid language

They're feeding me lines
They keep feeding me lines
Well I've lost the plot
And I'm gonna wing it

One bad actor versus
The rest of the world

My middle finger is on the button
Itching to deliver the final concussion
Think of me when you've become nothing
Ow....!
