

## Six Two One

Mudhoney

Aaah

Well, six long years, with the devil at my side  
There's a lot of things that'll do you no good  
As you waste away and here on the couch  
Your time spent here is doing no one no good  
No good

Confusion reigns  
Confusion is king  
Confusion is the state you'll find me in  
Confusion reigns  
Confusion is king  
Confusion is the state you'll find me in

Now, I'm not saying that I'm all right  
And I'm not saying I can show you the light  
'cause I see darkness day and night  
It's been six long years with the devil at my side  
At my side

Confusion reigns  
Confusion is king  
Confusion is the state you'll find me in  
Confusion reigns  
Confusion is king  
Confusion is the state you'll find me in
