

# I'm a Wolf

Mugison

I'm haunted by the holy ghost  
Like she got a thing on me  
I can't go home like this  
So, plead to see

My senses are on overdrive  
No steam left to burn  
I say I'm gonna go for a drive  
But I'll never return

'Cuz I'm a wolf!  
Yeah, I'm a wolf!  
I'm a wolf!

You say I need to dig deeper  
You say I need to lose control  
Well if I look anymore I think I'll explode  
Try to ground myself in water  
Wishin' it was all just a dream  
And I was save in the arms of my mother  
Maybe I'll wake up if I scream...

I'm a wolf!  
Yeah, I'm a wolf!  
I'm a wolf

'Cuz I'm a wolf!  
I'm a wolf!  
I'm a wolf
