

# They Made Frogs Smoke 'Til They Exploded

múm

Oh, don't pull its legs  
They're pulled  
Don't squeeze it too hard up  
Don't mash it up

Ooh, don't pull its legs  
They're pulled  
Don't squeeze it too hard up  
Don't crush it up

If you snap it like a twig  
Glue it back with little sticks  
Put it back into the grass again

If you break a kitten's neck  
You must shake its body and check  
If it's still alive, be gone to sleep

If you snap it like a twig  
Glue it back with little sticks  
Put it back into the grass again
