

Lover of the Light

Mumford & Sons

D **D**
And in the middle of night I may watch you go,
D **D**
There'll be know value in strength of walls that I'll have known
Bm **A** **D A G**
There'll be no comfort in the shade of the shadows so,
A Bm **A D**
But I'll be yours if you be mine

D **G** **D**
Stretch out my life and pick the seams out
D **G** **A** **Bm**
Take what you like, but close my ears and eyes
G **D** **A Bm** **A D**
Watch me tumble over and over

D **G** **D**
I have done wrong, so build your tower
D **G** **A** **Bm**
But call me home and I will build a throne
G **D** **A Bm** **A D**
And wash my eyes out never again

G
But love the one you hold
A
And I'll be your goal
Bm
To have and to hold
D
A lover of the light

D **G** **D**
Skin too tight and eyes like marbles
D **G** **A** **Bm**
You spin me high so watch me as I glide
G **D** **A Bm** **A D**
Before I tumble homeward, homeward

D **G** **D**
Although I tried I was not stable
D **G** **A** **Bm**
He flawed my pride I missed my sangin eyes
G **D** **A** **Bm** **A** **D**
So hold my hands up breath in, breath out

But love the one you hold
And I'll be your goal
To have and to hold
A lover of the light

D **D**
And in the middle of night I may watch you go,
D **D**
There'll be know value in strength of walls that I'll have known
Bm **A** **D A G**
There'll be no comfort in the shade of the shadows so,

Bm **A** **D** **A G**
You may not trust the promises of the change I show,

A Bm **A D**
But I'll be yours if you be mine

But love the one you hold
And I'll be your goal
To have and to hold
A lover of the light
(2x)
