I came home
Like a stone
And I fell heavy into your arms
These days of dust
which we've known
will blow away with this new sun

And I'll kneel down, wait for now And I'll kneel down, wait for now

So break my step And relent Well you forgave And I won't forget

Know what we've seen And him with less Know in some way Shake the excess

And I'll kneel down, wait for now And I'll kneel down, know my ground

Now I'll be bold, as well as strong
And use my head alongside my heart
So take my flesh
And fix my eyes
And tear the night free from the lies

And I'll kneel down, wait for now And I'll kneel down, know my ground I'll kneel down, wait for now

Raise my hands
Paint my spirit gold
Bow my head
Keep my heart slow

Raise my hands
Paint my spirit gold
Bow my head
Keep my heart slow
