

# Hands Off

MUNA

I see you, I see you  
And it's been some time since I've seen you last  
You know the night, I bet you know the night  
I'm here, you're here  
And it's in the air like a firefly  
June and July, like it's June and July

I, I, I know you're bad for me  
But when you say you want me again  
Want me again and again  
I can feel you up on me  
It hits me all of the sudden  
(Wait, why would I do that?)

No, you can't touch, get your hands off of me  
(Can't touch, hands off)  
There's no reason, just a feeling, I'm free  
(Can't touch, your hands off)  
No, you can't touch, get your hands off of me  
(Can't touch, hands off)  
There's no reason, just a feeling, I'm free  
(Can't touch, hands off)

I see you, I see you  
And, oh God, I get so high every time  
Happens every time  
A damn idea  
I focus then I hold that feeling inside  
Got this feeling inside

I, I, I want you, come closer  
I feel like I've been here before  
Been here before, before  
You, you, you want the power  
You tell me it's now or never  
(What the heck?)

No, you can't touch, get your hands off of me  
(Can't touch, hands off)  
There's no reason, just a feeling, I'm free  
(Can't touch, hands off)  
No, you can't touch, get your hands off of me  
(Can't touch, hands off)  
There's no reason, just a feeling, I'm free  
(Can't touch, hands off) I'm free

You think I'm playing hard to get  
This must be hard to get  
You've got to get your hands off, yeah  
You think I'm playing with your head  
This must be hard to get  
(Do you need me to do the chorus again, or...?)

Can't touch, get your hands off of me  
There's no reason, just a feeling, I'm free  
No, you can't touch, get your hands off of me  
There's no reason, just a feeling, I'm free

I'm free

Can't touch, hands off

No, you can't touch, get your, get your hands off
