

Never

MUNA

I don't know if I like love
I think I've had enough
Seems like it's alright for some
It's just I am not one
Consider this my resignation
Please consider this an end
And deliver this recitation
To the one who did me in

I'll never love again
I'll never love again
I'll never love again
I'll never love again

I don't know if I like songs
I think maybe I was wrong
To think I could make it hurt less
With a chorus sing-along
Consider this, cause this is it
As a kind of requiem
And deliver this last performance
To the source from which it stems

I'll never sing again
I'll never sing again
I'll never sing again
I'll never sing again
