

# One That Got Away

MUNA

I'm the one  
Who opened up, ready for a connection  
I'm the one  
Brave enough to say how I was feeling  
I'm the one waiting by the phone  
The one who is home alone  
'Til I realized you were only messing around  
Yeah, you played it like a game  
Never called it by its name  
Isn't it a shame how

Now I'm the one that got away  
The kiss you never tasted  
Tell me that you hate it  
Hate that I'm no longer in your reach  
If I can't hear you say it  
Maybe you can't change it, but if you never  
If you never put it on the line  
How am I gonna sign for it?  
Yeah, you never  
You never let me know I'm what you want  
Maybe that's why I'm the one  
The one that got away  
The kiss you never tasted  
Now I'm the one that got away  
Tell me that you hate it

I'm the one  
Who's crying over you in a bath on the weekend  
But I'm the one  
Who isn't scared to dive into love on the deep end  
You're the one lying to your friends  
You're the one who can't pretend  
That there are no consequences to what you do  
But the truth is that it's costly  
Baby, 'cause you lost me  
Soon enough you're gonna see

That I'm the one that got away  
The kiss you never tasted  
Tell me that you hate it  
Hate that I'm no longer in your reach  
If I can't hear you say it  
Maybe you can't change it, but if you never (If you never, if you never)  
If you never put it on the line  
How am I gonna sign for it?  
Yeah, you never  
You never let me know I'm what you want  
Maybe that's why

The one that got away  
The kiss you never tasted  
Tell me that you hate it  
Hate that I'm no longer in your reach (Your reach)  
If I can't hear you say it  
Maybe you can't change it, but if you never

If you never put it on the line  
How am I gonna sign for it?  
Yeah, you never  
You never let me know I'm what you want  
Maybe that's why I'm  
The one that got away  
The kiss you never tasted  
Now I'm the one that got away  
Tell me that you hate it
