

# Promise

MUNA

I told a lot of lies  
And called it a compromise  
To keep you in your seat  
I was so afraid to lose  
But the things that I did to you  
You would never do to me

Why do I  
Why do I do it  
Why do I do it  
You wanna  
Hold my hand I make a fist  
A false promise  
And even if you said you would forgive me  
I don't know if I could ever say I'm sorry

I don't know if I-  
(You said you would)  
I don't know if I can  
I don't know if I-  
(You said you would)  
I don't know if I can

So I look at you now  
Bruised and broken down  
By what you thought was love  
You tell me you want to stay  
And you wanna watch me change  
But I'm scared so I tell you to fuck off

Why do I  
Why do I do it  
Why do I do it  
You wanna  
Hold my hand I make a fist  
A false promise  
And even if you said you would forgive me  
I don't know if I could ever say I'm sorry

I don't know if I-  
(You said you would)  
I don't know if I can  
I don't know if I-  
(You said you would)  
I don't know if I can

Mean hearted girls will kill their loves to hurt themselves  
They can't believe that they deserve anything else  
And even if you said you know that I'm sorry  
I don't know if I could ever forgive me

I don't know if I-  
(You said you would)  
I don't know if I can  
I don't know if I-  
(You said you would)  
I don't know if I can

I don't know if I-  
(You said you would)  
I don't know if I can  
I don't know if I-  
(You said you would)  
I don't know if I can

I told a lot of lies  
And called it a compromise  
To keep you  
(You said you would)
