

## So Special

MUNA

There's a few bad things I've done  
That nobody made me do  
Most just to get myself off  
And the rest to get over you  
Meant the things you said  
Turns out I had no idea  
You'd ever tell me we were done  
Or what that would feel like to hear

Now I know I'm not so special  
Cause I'm all dressed up  
And you think that I'm beautiful  
But it's not enough  
Now I know I'm not so special  
Cause I'm all dressed up  
And you think that I'm beautiful  
But it's not enough

Guess I'm gonna find another ride  
Guess I'll see you in another life  
Guess I'm gonna tell one more lie  
I'm surprised you don't wanna stay by my side

I think about the time  
And I went down on you in the gallery  
And I was always out of line  
But I thought you were right there with me

Now I know I'm not so special  
Cause you're all dressed up  
And I think you're so beautiful  
But I'm not your love

Guess I'll never find another ride  
Guess I'll see you in another life  
Guess I'm gonna tell one more lie  
I'm surprised you don't wanna stay by my side

Guess I'm gonna find another ride  
Guess I'll see you in another life  
Guess I'm gonna tell one more lie  
I'm surprised you don't wanna stay by my side
