

Let's Do It Again

Mungo Jerry

Hmm, we did it in the morning, hmm we did it in the evening
Yeah, we did it in the morning, now, let's do it again
Ooh, we did it in the daytime, and we did it in the night-time
We did it in the break time, hmm, now, let's do it again

We can do it, any time at all
Cause any time's the right time to say thank you to the lord
We did it in the morning, now, let's do it again, let's do it a
gain

We can do it in the summertime, you can do it in the wintertime
We can do it in the springtime, oh yeah, then do it again, do i
t again
Alright, you can do it in the autumn time, do it, vacation time
And relaxation time, relaxation time, yeah, then do it again, d
o it again

You can do it, any time at all
Cause every time the right time to say thank you to the lord
You can do it, every time, than do it again, do it again

We did it in the morning, in the morning, and we did it in the
evening, in the evening
Yeah, we did it in the morning, in the morning, now, let's do i
t again, again
Hmm, we did it in the daytime, and we did it in the night-time
We did it in the break time, now let's do it again, again
You can do it in the summertime, in the summertime
You can do it in the wintertime, in the wintertime
You can do it, in the springtime, oh yeah, and do it again
Hmm, hmm alright, in the autumn time, vacation time
Relaxation time, relaxation time, hmm, then do it again, do it
again ooh

You can do it, any time at all, ooh every time the right time t
o say thank you to the lord
You can do it every time, every time, then do it again, then do
it again
Let's do it again, let's do it again, again, again
