

You Don't Have to Be in the Army to Fight in the War

Mungo Jerry

When your girlfriend asks you 'round to her house and you meet
her folks
And they say that your hair's too long and you're not their kind of bloke
They grab you by the collar and they throw you through the door
:
You don't have to be in the army to fight in the war

Well, you're working very hard to get promotion in your job
But arrive late on morning just because you mist the bus
The foreman say "you're fired, 'cause you punctuality spoor"
You don't have to be in the army to fight in the war

Then you go into a hotel to get put up for the night
And they say that you can't stay there just because your shirt ain't white

You're tired and you hungry and you cannot walk no more
You don't have to be in the army to fight in the war

Ain't no money, ain't no woman ain't no roof above your head
So you lay down in the park and you wish that you were dead
The fuzz says you are trespassing and kicks you in the jaw
You don't have to be in the army to fight in the war

The fuzz says you are trespassing and kicks you in the jaw
You don't have to be in the army to fight in the war
You don't have to be in the army to fight in the war
You don't have to be in the army to fight in the war...
