

Ain't Easy

Muni Long

Oh, oh
Yeah yeah, yeah yeah
Yeah (Easy, yeah)
Yeah

L is for every time I look at you, I'm stuck
'Cause I don't understand
Why you love me so much
O is for why can't we get over it
And get back to lovin' and fuckin' and shit?
Gets vicious
V is for vicious
When you get angry, I'm all kinds of bitches
And then the E is for every time it happens, I wanna quit
But I love you so much
The cognitive dissonance

It ain't easy
But kissin' you is easy, ayy ayy
Makin' love is easy
But lovin' you ain't easy, ayy ayy
Ayy
Easy
Said lovin' you ain't easy, ayy ayy
I really thought it would be, yeah (Be, yeah)
But lovin' you ain't easy, ayy ayy
Ayy

Three years and we have one fight, it's over
You packed your things, we broke up
And even though
I asked you to go
I keep comin' home to an empty house like "fuck" (What the fuck?)
And wakin' up like "man, damn"
Lemme pop a Xan
Tryin' not to fall apart
Doing everything I can
And I know it's what's best
But it hurts the worst
It's a competition seein' who gon' call who first

Holdin' out ain't easy (Easy, ayy)
But missin' you is easy, ayy ayy
Makin' love is easy
But lovin' you ain't easy, ayy ayy
Ayy
Easy
Said lovin' you ain't easy, ayy ayy (No, no, no, no, no)
I really thought it would be, yeah (Be, yeah)
But lovin' you ain't easy, ayy ayy
Ayy

Easy
Lovin' you ain't easy
Kissin' you is easy, yeah ayy
I really thought it would be (I really thought it would be)
Easy, easy, easy, ayy yeah

Easy

Oh woah oh woah (Eee, yeah, oh)

Oh, oh, oh, oh

Oh, oh

Oh, oh, oh, oh

Oh, oh
