Aye, Leo  
These bitches hate that I'm poppin'  
And I show my ass for the hoes in the club  
'Cause I know their niggas be watchin'  
I keep like three of my shooters on call  
'Cause I know that bitches be plottin'  
And hoes think I'm sweet 'cause I be lookin' pretty  
But bitch, we will really be boxin', gun in my pocket  
I'm a hot topic, aimin' is optic

I cut 'em off 'cause he said I was toxic  
I'm gettin' profit, these bitches not it  
I'm at the bank and bitch, you at the office  
Can't get my wallet, my nigga chocolate  
He fuck with me when I'm wearin' my bonnet  
If I'm bein' honest, you hoes make me vomit  
I'm not lettin' shit skate, this is not Sonic  
Ain't it ironic? I just started rappin'  
I'm passin' hoes up like a rocket  
I'm not finna argue with bitches  
'Cause I might get [...] for one of my bullshit deposits  
And niggas be sweatin'. me heavy  
They be in love but to me it be strictly platonic  
I don't text back, I don't answer the phone  
But these niggas still gettin' hooked on phonics  
Stop it!
