

Cartier

Muni Long

I wanna get to know you, we should take our time
'Cause things that last for real, just don't happen overnight
Why you wanna rush it, if you're crushin' like I'm crushin'?
Baby, I'm just wondering, I got a couple of questions

Like, "Why you haven't showed me so I wouldn't have to doubt?"
And, "Why won't you tell me what we are but want me to play house?"
But if you want my body, babe, it's a price you gotta pay
It's either with your heart or with your credit card and I love Cartier

Babe, hey, hey, bae, babe, oh-oh
I love Cartier, yeah
Babe (Ooh), hey (Ooh), hey (Ooh), bae (Ooh), babe, oh-oh
I love Cartier

I need a stack or fifty thou' over each wrist
I need a ring and a watch and a necklace
I need some iced out buffs if you tryna cuff
Wanna see the diamonds in your eyes while we makin' love, oh-oh, oh-oh (Yee-hee)
They say love don't cost a thing
But I don't even know what that means
I really wanna know a few things

Like, "Why you haven't showed me so I wouldn't have to doubt?"
And, "Why won't you tell me what we are but want me to play house?"
But if you want my body, babe, it's a price you gotta pay
It's either with your heart or with your credit card and I love Cartier

Babe, hey, hey, bae, babe, oh-oh
I love Cartier, yeah
Babe (Ooh), hey (Ooh), hey (Ooh), bae (Ooh), babe, oh-oh
I love Cartier

I need reassurance
Jewelry so expensive, it's gon' need insurance (I don't need)
I don't need a commitment, long-term
I don't even need to hear you say them three words
It's just that I need you to (Need you to)
Put some effort in before I let you come through
Show me I'm worthy to you (Oh-oh, oh-oh)

Babe, hey, hey, bae, babe, oh-oh (Oh, oh, oh)
I love Cartier, yeah
Babe (Ooh), hey (Ooh), hey (Ooh), bae (Ooh), babe, oh-oh
I love Cartier (Hey, hey, hey)
Babe, hey, hey, bae, babe, oh-oh (I love)
I love Cartier, yeah (Cartier)
Babe (Ooh), hey (Ooh), hey (Ooh), bae (Ooh), babe, oh-oh (Cartier, hey, yeah)

I love Cartier, yeah
